HELP REQUESTED Could you make coffee/tea occasionally for the Wednesday coffee mornings? Without a few more people to help we will be unable to have our very sociable coffee-time sessions on Wednesday mornings during August. Please speak to Ann Ceurstemont if this is something you would be able to assist with.

JESSICA'S CONTACT NUMBER Jessica now has a work phone but there was some problem with allocating the number - which means that the one given in last week's notices was wrong. The correct number is 07856 910769. She will reply to calls/messages during her usual working hours. If you have her previous number/s please replace with this one.

*Unifying God, reigning far above our earthly differences:
in the midst of injustice, wars and suffering, you call us to bear with
one another in love.*

*Help us to remember the essential qualities of faith: humility,
gentleness, patience and love.*

*May we strive to put peace into one another's hands, to treasure it
and protect it like a candle flame.*

*God of peace and justice, rain down upon us your peace,
fill every heart with your peace, now and forever. Amen*
